Mr. George Burley of Archie Stouffer Elementary School teaching staff presents Kiera Connelly with the Alan Walker Memorial Award in recognition of her unstinting contribution to school life during the past year. The award named in honour of a former student at the school, is presented annually.

Arena is sound, says engineer

An engineer's report on the structural adequacy of Minden arena caused some concern at Anson, Hindon and Minden council on June 13 and it was only after a telephone conversation with the inspector that those concerns were alleviated.

The report in question was prepared by Robert G. McEwen and Associates in response to a request by the municipality.

These inspections are required by Ministry of

Labour guidelines on public arenas. The report stated that the Minden Curling Club was structurally sound and did not require any repairs.

The report also stated that the windows and lintels on the west wall of the arena needed to be replaced and that some repairs were also needed to mortar joints on the wall.

The engineer gave a clean bill of health to the remainder of the building

but noted he was unable to inspect the upright supports and bearing plates located within the wall.

Councillor Gary Kenney noted that the report issued a disclaimer by stating that the engineer was satisfied with the visible structure but concerned about the possibility of corrosion on the hidden steel uprights.

"What he is saying in this report is that everything he saw is fine, but if the building blows down it is the

responsibility of the municipality," Kenney said, adding, "That is like a doctor saying I think you are in good condition but you wouldn't let me take an x-ray."

Kenney emphasised that he was not suggesting the arena was unsafe, but argued that the report was not satisfactory. "I want the guy who inspected it to say it will stand for two years until the next inspection - not if it falls down I am not responsible. It is the municipality's responsibility."

Councillor Pat Burk shared Kenney's concern and suggested that the engineer should be given complete access to the areas of the structures that were covered by cement block.

During the lunch break Community Services Coordinator Brian Sisson placed a phone call to the engineer who carried out the inspection and reported to council in the afternoon that the engineer was satisfied the structure was sound and that he would forward a letter to the municipality with the assurance that the building is structurally sound and will remain stable until the next required inspection in 1987.

Artists may sell work in downtown park

There will be art in the park this summer in Minden for at least one day.

Anson, Hindon and Minden council approved a request by the Highlands Artists group to hold a show and sale of artwork in the parkette on Main Street on August 17.

Elizabeth Carrell and Marion Hill made the request on behalf of the group at the regular meeting of council on June 13. Mrs. Carrell told council that the purpose of the show and sale

was to give much-needed exposure to local artists. She said that although the exhibit may not be very large this summer, it is expected that future shows will attract more artists and craftsmen.

Marion Hill said that she has participated in the Art in the Park program in Toronto and that the exhibits, which were held each Sunday during the summer for the past twenty years, have been very

popular and beneficial to aspiring artists.

She emphasised that the show planned for August in Minden will not be in competition with the Agnes Jamieson Art Gallery, but instead is meant to be an addition to the Gallery.

Mrs. Carrell also suggested that rather than referring to the property on the main street as the parkette, it should be referred to as "The Village Green."

Lutterworth taxes increase 11.75%

Cutbacks in provincial education funding has had a significant effect on yet another municipal budget. Residential taxes in Lutterworth Township are increasing by 11.75% this year due, in large part to the 17.9% increase in the secondary school levy and the 18.5% increase in the elementary school levy. The commercial mill rate has increased by 11.8% over 1984.

The 1985 budget of the Township of Lutterworth was approved at the regular meeting of council on June 20.

The overall increase came in spite of a 1% decrease in the county levy due to a recent change in the funding formula.

The municipal mill rate has increased by 3.4%, a reflection of the expected increase in municipal expenditures. Total expenditures for 1985 are expected to be \$877,317 up from last year's figure of \$768,318.

Total expenditures include the education levy of \$396,844, the county levy of \$69,303 and the total municipal expenditures of \$466,147.

On the revenue side, the township will be receiving \$75,578 in unconditional grants including \$15,281 for

the Ontario Youth Employment program.

Provincial grants account for a further \$134,536 including \$101,600 in MTC funds, \$7,936 in Canada Works grants and \$20,000 general welfare subsidy.

The township expects to raise a further \$23,325 through the penalties and interest on property taxes, licences and permits, investment income and the sale of road allowances.

On the expenditure side, total general administration costs are up slightly from \$77,811 in 1984 to \$83,213 this year.

General government expenses, council members fees, insurance, meeting expenses and travel expenses etc., are also up slightly to \$19,450.

Construction and maintenance projects on the municipal roads account for a large portion of the municipal budget. Total costs including the \$7,936 Canada Works Program is estimated at \$191,936. Some \$33,420 will be spent on parks and recreation including \$19,481 on the Ontario Youth Corp program.

Other expenditures include \$25,000 in general welfare payments, \$4500 for

Bomb squad claims relic

The closets of Haliburton County contain some unique items but one of the most interesting to emerge recently was found last Tuesday (June 18) at the newly named Moore Lake Inn.

The inn, formerly named the Beverly Park Lodge, was recently purchased by David and Kaye Phelps of Toronto. During the past few weeks the couple have been busily preparing the inn for the summer season. It was during the clean-up that David came across an interesting find.

As he sorted through items in the storage shed, he came upon a ten pound bomb. The explosive device was approximately 24 inches in length and three inches in diameter. The cylinder was pointed at one end and had four fins at the other, similar in shape to the bombs pictured plummeting out of airplanes in World War Two movies.

David called the Ontario Provincial Police and within a number of hours a bomb disposal crew arrived from Peterborough to pick up the device. As they tossed the bomb into the back of their vehicle, the members of the crew speculated that the bomb was indeed "alive" and it would be detonated to ensure that it doesn't show up in someone else's closet.

Residents of the county were saddened to learn of the passing of Mr. Lloyd Walker on Thursday, June 20.

Mr. Walker died enroute to Toronto General Hospital after taking ill. He had been in poor health for some time.

Mr. Walker was born in Minden in 1913 and lived in the area throughout his life. He served with the Queen's Own Rifles in France during the Second World War where he was wounded in action.

In 1960, Mr. Walker established Walker's Auto Repair on Highway 35 near Minden.

In 1964 he was elected to Lutterworth Township Council. After serving as a councillor until 1970, he successfully sought election as the deputy reeve and continued to serve in the position until 1976.

When his death was announced at the meeting of Lutterworth Council on Thursday evening, the members observed a moment of silence in his memory and the reeve ordered the municipal flag flown at half mast.

Mr. Walker returned to municipal politics in 1980 when he was elected Reeve of the municipality of Anson, Hindon and Minden and served one term until 1982.

He is survived by his wife Elsie, sisters Edna Corke and Eileen Rudd, sons Lionel and Brian, daughters June and Carole, eight grandchildren and one great grandchild.

Canada Day festivities

Canada Day will be celebrated in style again this year as Minden gears up for the third annual Canada Day Family Picnic. The Minden Fairgrounds will be decked out with hundreds of colourful balloons, flags and pennants.

Hot dog lunches will be served from 1-3 p.m. at old fashioned prices. The grandstand show will feature the Highland Country Dancers, Herbie the Clown, a magician, the Dixieland band and a

demonstration of radio-controlled model airplanes. Meanwhile there will be kite flying and wagon rides for the kids and clown face painting for all who are brave enough.

The Katimavik group will be organizing games for the kids and, of course, there will be the annual egg toss and pie eating contests.

Helium filled balloons will be released every hour. Some will contain children's names. If balloons are found containing messages, the

finder and the child will both receive prizes if the messages are turned in at the municipal office. Finally, a five foot red balloon, "Big Red" will be launched. The finder of this balloon is entitled to a \$100 voucher courtesy of the BIA.

If it rains, all events will be indoors in the arena. So, rain or shine, plan to spend Canada Day at the Family Picnic at the Minden fairgrounds from 1 to 5 p.m. See you there!

Q:

Why do 5 million Canadians have trouble catching their breath?

A:

They have lung disease. To find out more, call your Lung Association.

Architectural theme dominates latest show

The Agnes Jamieson Gallery opened the summer season on Thursday evening with an exhibition of watercolours by artist Edward Cronk.

A graduate of the Ontario College of Art, the artist worked in the field of interior design from 1952 until 1980, designing commercial interiors in cities across Canada. During that time he pursued his interest in painting at his studio in Toronto.

At the opening on Thursday evening, Cronk said that he decided to retire from his business pursuits to devote more time to painting and because he was, "Tired of chasing 747's at airports from Vancouver to St. John's."

Ironically, in 1983, his work was chosen by Air Canada for display in the Flying High Art Program.

There was, however, more to the retirement than just a change of occupation.

He sold his home in the Beaches area of Toronto and moved to an isolated farmhouse north of Kingston, a place he describes as being "The far side of the moon" noting that the nearest village, Arden, has a population of only eleven.

Since 1980, the artist has produced a number of commissions and exhibitions in the province, resulting in five awards. In 1984 he became an instructor at the Haliburton School of Fine Arts in the field of watercolours, a position he will be resuming this July.

His background in architectural and interior design is evident in his paintings. "I prefer architectural paintings because it is something that I

am familiar with," he said, adding that he likes to paint, "Up close and intimate rather than take the long view."

He pointed out several paintings that reflect this preference. Sections of brick buildings and weathered farmhouses are isolated from the surroundings, creating a simple balanced composition comprised of

subtle geometric shapes and intersecting planes. The paintings are also in keeping with his philosophy to keep the work simple and direct.

"I emphasise this when I am teaching my students and remind them that less is more," he said, adding, "I usually run with a very simple palette." The sparse, uncluttered style is also evident in his wildlife

studies, landscapes and seascapes.

These include scenes of New York State, Maine, Pennsylvania, the Land-O-Lakes region near his home and fishing villages on the Atlantic coast of Canada.

The artist noted, "Some of my paintings are semi-stylized, but basically they are reasonably realistic."

While there is a

continuous thematic thread running through his work at the gallery, the artist said that he continues to experiment and although he intends to continue working with watercolours, a medium he finds challenging and satisfying, he does take different approaches to his work, "Depending on my mood and inspiration." The painting, The Weavers, which is on display at the entrance to the gallery, is one such example.

Perhaps his work is best described by one of the visitors to the gallery on Thursday evening who asked the artist, "How is it

that you can make two old walls so beautiful?"

The exhibition continues until July 18.

Artist Ed Cronk discusses his painting of a home in Harrowsmith with gallery curator Alice Don.

Budget

(from page one)

planning and development, \$14,000 for environmental services (township dumps), \$21,549 for protective inspection (bylaw enforcement), \$8000 to cover the costs of the fire-protection agreements with the municipality of Anson, Hindon and Minden and the brigades in Norland and Kinmount, and \$9,700 in capital expenses.

The total expenditures also covers the \$7,506 deficit from 1984.

The 1985 budget passed by Lutterworth council falls in line with a number of budgets passed recently by other municipalities in the county.

The municipality of Dysart et al increased taxes by 11.27%. Anson, Hindon and Minden ratepayers face a similar increase of 10.8% in property taxes.

The township of Stanhope also increased taxes by 12.7%.

Weekend musings

Musings on the eve of a holiday weekend.

- Whoever thought of the idea of rolling diplomas and tying them with a ribbon must have had the youngsters in mind rather than the older, more subdued graduates. As witness to the graduation ceremonies of the two kindergarten classes at Archie Stouffer Elementary School last week, we can vouch for the entertainment and diversionary value of these rolled tubes of paper.

- The weather has been in a state of flux recently, no doubt a reflection of the uncertain times being experienced on the provincial political scene. Could, we ask, the sudden departure of the Conservatives from their long entrenched positions of power have such a totally unsettling effect as to leave the province awash in a tailspin of meteorological mayhem? And will a sense of continuity return when the Liberals obtain a firm grasp on the reins of power and beer is finally available in corner stores? We certainly hope so.

- Monday is Canada's birthday, a good time to reflect on our heritage and appreciate how fortunate we are to reside in this country. One need not look too far to find individuals who envy the prosperity and relative tranquility of our existence in Canada. What a great place and time to be alive. Enjoy.

Federation of Ontario Naturalists

The Niagara Escarpment - a majestic rock spine 725 km long and up to 270 m high - snakes its way from Niagara Falls to Tobermory and beyond. Over 300 years in development, it is mantled with the finest of filigreed costumes - magnificent cathedral forests, cascading waterfalls, cold rich streams and spectacular scenery.

Sea caves, pummelled into the scarp's surface, sitting now far up its face. Caves with rare ferns, bat roosts and bear hibernacula. Flowerpots - 20 m rock pillars standing like monstrous vases at waters edge. Cedars and pines, in wind-blown form, wedging from the tiniest of fissures. Grey tallus slopes, spotted with burning-red of limestone-grown Herb Robert. Nesting ravens. Soaring vultures. Cascading mantles of moss and lichen. Deadman's fingers, calypso orchids and a host of plants from the most bizarre to the most spectacular. Ice-beards of gigantic proportions, coloured blues, browns, yellows and greens by mineral-laced seepage.

All etch indelibly upon the visitor's mind. They evoke a sense of drama. And of personal minutiae beside this majestic heritage, adorned with jewels of every biological description. They inspire a feeling of reverence, a sense of legacy and wealth and a determination to see that this ribbon is resolutely protected.

But the Niagara Escarpment doesn't simply stand by itself. It's part of a belt which incorporates a fantastic wealth of pastoral, agricultural and other settings, in a tapestry unexcelled in Ontario.

The Niagara Escarpment Plan - adopted and implemented by regulation during the final days of the Progressive Conservative government - received little attention in the midst of the political upheaval. Yet, it is an extremely far-sighted plan, which will, quite literally, help determine the quality of landscape and life enjoyed by present and future generations - in the region and throughout Ontario.

Directly affecting about one and a half million acres, the plan guides development accepting and encouraging uses which are compatible with the escarpment region's special character - and redirecting to more suitable areas those which are not. Pits and quarries, dumps and intensive residential development, for example, will be directed away from the more sensitive core, toward the periphery or beyond.

The plan recognizes that there is no need or desirability to bring vast

letters letters letters

Editor:

I would like to know; who and why a motion was made in council to change the second billing date for our property taxes from July 31st to July 15th.

As Minden is made up of many senior citizens, and retired people, they too have to budget their income, just as well as the Minden Council, and we don't get our cheques until the end of the month. It seems to me you are trying to gain 16 days on we the people - is this just another gouge?

If you live in Stanhope, your second billing does not come due till August 31. Quite a difference, and the dates have never been changed.

As a senior and a rate-payer, I am not paying my taxes till the 31st of July, and the small difference to pay for filing late, I will make it up in my own bank account instead of theirs. I am sure the staff will help, if need be.

It is too bad that we all don't have a second salary coming in.

As for our taxes, we don't

get very much for it, as the sidewalks on Anson side are a disgrace, and they should put a sign up warning the people to use the Bobcaygeon Road at their own risk as it is full of pot holes.

I have a lot in Stouffville, that the council put a ditch in front of to clear away any water, but most of the time it is full of water and rubbish, and you can't get near the lot, because there is 20 feet belonging to the township that has grown up in weeds that has never been mowed. If this is what we are paying taxes for, I hope we all remember when November rolls around.

Emma Hewitt,
Minden

Editor:

I am writing to complain about a couple of things. The first one is about the law that is passed stating you have to have your headlights on half an hour after sunrise and a half an hour before sunset. That is nothing but to get more money out of people as it does no one any

good. If you can't see in daylight without your lights on, then how are you going to see after dark.

The second thing I'm complaining about is the mail. The more money they make and the more machinery they have, the slower the mail gets. Sometimes they don't even pick it up on these rural routes, even with the red flag up on the mail box. They sometimes tell you they are not making anything delivering the mail, but they sure hate to give the job up and let some other person have it.

Mrs. Verna Ainsworth,
Bobcaygeon Road,
Minden.

Hospital group protests cuts

Last week The Times reported on the pending closure of the orthopaedic unit at the Ross Memorial Hospital in Lindsay. As we pointed out in the article, the closing of the unit will have a major impact on residents of Haliburton County who rely on services provided at this facility, the closest major hospital to Minden and Haliburton.

The problem of hospital funding has a wider perspective of course, and is related to the adequacy of monetary support, principally from the provincial government. The following is a press release from the Ontario Hospital Association, pointing out how provincial assistance has decreased, and the impact this reduction is having.

Ontario's hospital funding problem is drifting. And getting worse.

For the past three months, most of Ontario's 220 community hospitals have been warning publicly their 1985-86 budgets cannot sustain present services and staffing.

Asked by Ontario Hospital Association in an April 4 survey what measures will be needed to avoid operating deficits, hospitals identified:

elimination of programs (36%)

staff reductions (54%)

bed closures (37%)

deferring of equipment purchases (47%)

delaying planned development (54%)

Almost half the hospitals also said they would be forced to supplement operating budgets from capital they had set aside for needs such as equipment replacement, renovation and construction.

On March 8, former health minister Alan Pope announced overall hospital funding would go up by 6.7% this year. That created a wrong impression. Community hospitals did not get a 6.7% increase, because more than half the extra funding had already been earmarked to cover specific costs like new hospitals, and higher utilization. The amount left to cover the rising costs of supplies (many of which are bought in the U.S.), services and payroll was only 2.7%.

This is the smallest across-the-board allowance for inflation since the Ontario government began reimbursing hospital operating costs in 1959. And it represents less real purchasing power than last year. Faced with the unavoidable carry-over expenses of 1984-85 wage settlements, the higher costs of benefits, supplies and services, and the expectation of further wage increases later this year, hospitals need a lot more than 2.7% to maintain services and avoid going into the red.

Hospitals employ more than 130,000 people, most of whom belong to unions which bargain centrally with the hospitals.

Former Provincial Treasurer Larry Grossman said the hospital allocation includes enough to provide wage increases of up to 3%. But at that rate, Ontario's hospitals would run up a \$96 million deficit this year. If pay raises go higher than 3%, the combined hospital deficit will exceed \$100 million. Two recent arbitration awards for hospital workers were for substantially more than 3%.

In April, at the government's invitation, OHA provided Treasury and Health Ministry officials with detailed projections, showing why the government's allocation is well below the level required. While waiting for the political outlook to clear, hospitals are still without an answer.

Meanwhile, with practically a quarter of the fiscal year already gone, hospitals are trying to live within their diminished income levels and deciding where the cuts will have to come if government funding is not improved.

Graduates honoured

It was a proud evening for parents and students alike last Wednesday evening as the grade eight graduates at Archie Stouffer Elementary School received their diplomas. The gymnasium at the school was filled to capacity with relatives and friends of the grade eight students on hand to watch the young students be honoured for their achievements.

Principal of the school, Mackay Brydon, told the audience that it was a day of celebration at the school. "You have the ability and attitude for success," he told the graduating classes. "It is not only a day of celebration, but a day of challenge as you move on to high school."

Prior to the presentation of the diplomas, individual honours were distributed to the various recipients. The following special awards were made:

Attendance: Two students attended during the past year without missing a single day of school. They were Cathy Beaver and Terry-Lynn Fairey. Students with three days or less included: Dana Audet, Heather Donaldson, Katy Beach, Mike Klages, Teresa Willis, Tanya Willison, Jamie Hancock, Kelly-Ann Little, Barry Thompson, Misti Campbell, Tina Cox, Lori Kernohan, Hannah Senitt and Corinne Wood.

Public Speaking: Students receiving awards for their public speaking accomplishment included: Dianne Garbutt, Heather Donaldson, Kelly-Ann Little and Mike Wray.

Art: A new tradition was started this year at Archie Stouffer. Those students who received special merit for their art, presented the school with a piece of their work to hang in the hall during the coming school term. Those receiving the award included: Lisa

Grade 8 Honour Students: from the left, front row, Heather Donaldson, Kelli Dollo, Katy Beach and Tanya Willison. Back row: Lee Davis, Kelly-Ann Little, Misti Campbell, Christa Irwin, Dianne Garbutt and Nicholas Holliday-Rhodes.

Bagshaw, Cathy Beaver, Misti Campbell, Tina Cox, Kelli Dollo, Heather Donaldson, Dianne Garbutt, Christa Irwin, Melissa Jones, Joanne Kerr and Tanya Willison.

Home Economics: Those students receiving an award for Home Economics included: Katy Beach, Kiera Connelly, Heather Donaldson, Dianne Garbutt, Ann-Marie Muli, Tanya Willison, Kelli Dollo, Terry-Lynn Fairey, Christa Irwin and Kelly-Ann Little.

Industrial Arts: Four students received special merit in industrial arts. They included: Jim Churko, Lee Davis, Nick Holliday-Rhodes and Mike Wray.

French: The students receiving honours French awards included: Misti Campbell, Kelli Dollo, Christa Irwin, Lori Kernohan, Kelly-Ann Little, Tammy Powell, Sharon Sanders, Mike Wray, Dana Audet, Lisa Bagshaw, Katy Beach, Lee Davis, Heather Donaldson,

Dianne Garbutt, Nick Holliday-Rhodes, Nicole McNab, Tanya Willison and Glen Peters.

Music: Awards were presented to the following students for their abilities in music class: Lisa Bagshaw, Cathy Beaver, Misti Campbell, Tina Cox, Lee Davis, Kelli Dollo, Heather Donaldson, Dianne Garbutt, Nick Holliday-Rhodes, Christa Irwin, Kelly-Ann Little, Nikki McNab, Tanya Willison and Mike Wray.

Physical Education: The following students received honours in their physical education classes: Dana Audet, Lee Davis, Dianne Garbutt, Evan Miscio, Tanya Willison, Joanne Kerr, Cathy Beaver, Tim Burk, Misti Campbell, Shane Clark, Jamie Hancock, Christa Irwin, Melissa Jones, Kelly-Ann Little, Colin McKnight and Mike Wray.

English: The students who received honours in language arts included: Katy Beach, Lee Davis, Heather

Donaldson, Dianne Garbutt, Nick Holliday-Rhodes, Tanya Willison, Misti Campbell, Kelli Dollo, Christa Irwin, Kelly-Ann Little and Mike Wray. Reading honours were presented to: Lee Davis, Heather Donaldson, Dianne Garbutt, Tanya Willison, Misti Campbell, Kelli Dollo, Christa Irwin, Kelly-Ann Little and Mike Wray.

Mathematics: The following students received Math awards: Katy Beach, Lee Davis, Heather Donaldson, Dianne Garbutt, Nicole McNab, Nick Holliday-Rhodes, Misti Campbell, Tina Cox, Kelli Dollo, Christa Irwin, Kelly-Ann Little and Mike Wray.

Science: Katy Beach, Lee Davis, Heather Donaldson, Dianne Garbutt, Nick Holliday-Rhodes, Ann-Marie Muli, Tanya Willison, Misti Campbell, Kelli Dollo, Christa Irwin and Kelly-Ann Little.

Geography: Katy Beach

Editor:

When yesterday's (Sunday's) storm was going on, I wondered if there is any emergency plan for our village. The tornado which hit Barrie was very sudden and what would happen here?

Many senior citizens do not watch TV or have their

radios turned on, so how will they be warned?

Perhaps a volunteers group should be formed to telephone others.

Give this a thought.

Jeanne Sears,
Minden.

Editor:

With the election of a federal government which has an obvious respect for and understanding of the advantages of the Constitutional Monarchy for Canadians, the time has come to undo the republican moves of the Trudeau era, and to effect a 'restoration' of the Crown in Canada.

Such a restoration should include both symbolic and

substantive measures. For instance, the Post Office should proudly make available a wide number of Royal stamp issues; 'God Save the Queen' should be made the Royal Anthem by law, rather than resting on custom as is now the case; The Prince of Wales and the Duke of Edinburgh should be accorded their rightful places within the Canadian Honours System; the misnomer 'Head of State' should no longer be applied to the Governor General, who is of course the representative of Canada's Sovereign, the Queen.

The Monarchist League of Canada has prepared a detailed and easy-to-read set

of proposals which we hope Canadians will consider, and in turn, urge their Provincial and Federal Members of Parliament to advocate. Citizens reading this document will, we think, be alarmed at how much of our monarchical heritage has slipped away, and will want to press Mr. Mulroney's Ministers to begin the process of backing up their loyal words with actions undoubtedly supported by most Canadians.

John L. Aimers,

Liberals prepared for takeover

- by John Eakins, MPP -

Premier-designate David Peterson says the Liberal Party is "ready, willing and able" to form a strong, effective government.

Mr. Peterson, who was asked by Lieutenant-Governor John Black Aird, to form a government after the Conservatives lost a non-confidence vote, said taking over the reins of office and forming a government so quickly would present problems, but none that are insurmountable.

Mr. Peterson has arranged to be sworn into office on June 26.

"It's very much in the interests of this province to have a quick transition," he said, because "we have serious time pressures."

The failure of the Conservative government to meet its commitment to introduce legislation to extend grants to separate high schools, for example, presents the new government with the need to introduce legislation right away.

Other areas that Mr. Peterson has identified as priorities for a Liberal government include health care, jobs and the

environment.

It would probably be worthwhile at this point to go over some of the major events that will take place in Ontario government over the next few weeks.

Mr. Peterson will be sworn in as Ontario's twentieth premier on June 26 and will unveil his cabinet at the same time. He has said he expects to appoint only about two dozen ministers, which would constitute the smallest, leanest Ontario cabinet in about two decades.

Less than a week later, on July 2, he will face the Legislature for the first time

as premier. He will deliver a premier's statement, a speech in which he will outline the early course of his government.

The government will then proceed to introduce its first legislation and take its first action aimed at providing the changes Ontarians voted for.

David Peterson and his cabinet will be faced with some immediate problems in addition to those in education. The province's Triple-A credit rating, for example, has been hanging by its thumbs for more than a year. The government introduced almost no new legislation during the two year period prior to the election. And a number of pressing problems have been building up in the environment and health care.

As well, the new government will have to turn its attention immediately to federal-provincial relations, an area in which Ontario's strengths began to disintegrate quickly following former premier William Davis' retirement.

The province has been hit hard by recent federal decisions, such as the energy pricing agreement that will raise prices at the pump. The issue of free trade will also assume more importance in the months ahead and thousands of Ontario jobs are at stake in auto quota negotiations with the Japanese.

Ontario senior citizens have also been hit hard by the federal government's move into de-indexing of pensions, and their concerns will also have to be represented.

As well, the new premier will attend his first premier's conference in August.

In short, the new premier and the new government will be faced with a number of challenges early on - and many of the challenges will present unique and interesting problems.

But the new government will also be equipped with a high level of spirit and determination and support from the people, if the recent mood at Queen's Park and in the province are any indication.

Correction

In the June edition of This Month in the Highlands, the article on the county's golf clubs noted that the Blairhampton course offers a senior's discount. This discount is available on Thursday only, not every day of the week as may have been implied by the article.

Outdoors

(from page 4)

areas into public ownership - that the best stewards of most of these lands are private landowners - provided that there is some guidance and not an "anything anywhere" approach.

Particularly noteworthy is the policy concerning aggregates. Earlier drafts had effectively given aggregate extraction a position of precedence over all other objectives. But the adopted plan removes the pre-emptive issuing of extractive licences and excludes new operations from the most sensitive areas.

Also noteworthy are commitments to additional provincial parks and creation of a \$25 million acquisition land fund - \$2.5 million per year for ten years - for purchase of unique, threatened locales. Twelve provincial parks are to be created, eleven have already been legally created by regulation. Taken together, these will protect some of Canada's finest landscapes and biological areas.

The escarpment plan culminates over 20 years of determined efforts by organizations like the Federation of Ontario Naturalists. It will provide lasting protection for one of the finest pieces of the provincial tapestry - to the benefit of all Ontario residents - and especially those in the region.

Tribute paid to Grade eight graduates

Lee Davis, Heather Donaldson, Dianne Garbutt, Nick Holliday-Rhodes, Nicole McNab, Tanya Willison, Misti Campbell, Kelli Dollo, Christa Irwin and Kelly-Ann Little.

History: Katy Beach, Lee Davis, Heather Donaldson, Dianne Garbutt, Nick Holliday-Rhodes, Nicole McNab, Ann-Marie Muli, Sean Vick, Rebecca Warder, Tanya Willison, Glen Peters, Misti Campbell, Kelli Dollo, Christa Irwin, Lori Kernohan and Kelly-Ann Little.

Honour Roll: The following students obtained an overall 80% average in their final year of study: Katy Beach, Misti Campbell, Lee Davis, Kelli Dollo, Heather Donaldson, Dianne Garbutt, Nicholas Holliday-Rhodes, Christa Irwin, Kelly-Ann Little and Tanya Willison.

A number of special awards were also presented Thursday evening.

Physical Education instructor Dave McKinlay presented Joanne Kerr and Christa Irwin with the athletic achievements awards for 1984-85. He noted that the award was

presented to students demonstrating sportsmanship, coachability and all round good athletic ability.

The Ontario Public School Teachers Federation award went to Dianne Garbutt. She received the award for her complete involvement and interest in school activities.

The Tim Harrison Award for excellence and participation in the school's music program was presented to Nicholas Holliday-Rhodes. In presenting the award, teacher Glen Carter noted that Nicholas had transposed a piece of music for various instruments in the school's band.

The final award to be presented was the Alan Walker Memorial award. This is presented to the student who willingly and eagerly assisted throughout the school, giving of his or her time and effort for the betterment of the school community. The award was presented by Mr. George Burley to Kiera Connelly.

The following are the grade eight graduates at Archie Stouffer Elementary School this year.

Derek Allison, Frances Alton, Terry Anderson,

Dana Audet, Lisa Bagshaw, Katy Beach, Cathy Beaver, Ken Beers, Paul Blades, Carrie Burgess, Tim Burk, Misti Campbell, Jim Churko, Shane Clark, Kiera Connelly, Tina Cox, Lee Davis, Kelli Dollo, Heather Donaldson, Terri Fahey, Steven Freeman, Dianne Garbutt, Jamie Hancock, Nicholas Holliday-Rhodes, Darryl Hudson, Christa Irwin, Melissa Jones, Lori Kernohan, Joanne Kerr, Michael Klages, Josie Klockhoff, Kelly-Ann Little, Wendy McKay, Colin McKnight, Nicole McNab, Cory Michalik, Angalo Miscio, Evan Miscio, Ann-Marie Muli, Thom Northgrave, Glen Peters, Joe Porter, Tammy Powell, Sharon Sanders, Hannah Senitt, David Shaw, Christopher Simms, Brenda Stevens, Jason Stevens, Sheldon Stevenson, Barry Thompson, Sean Vick, Rebecca Warder, Teresa Willis, Tanya Willison, Corrine Wood and Michael Wray.

(Note: The class photograph was not available for publication this week. It will appear in a later edition of The Times.)

Township will purchase new vehicle

The municipality of Anson, Hindon and Minden will be replacing two vehicles currently being used by the Minden Fire Department.

At the regular meeting of council on June 13, tenders for the vehicles were discussed by council and Fire Chief Deac Jackson and deputy fire chief Bob Wells and Don Booth.

Following a discussion, the deputies agreed to inspect a 1980 Ford Maxivan tendered by Minden Plymouth - Chrysler.

Councillor Dave Stevens had previously examined the vehicle and stated that it was in excellent condition and would be suitable for an emergency vehicle, but added that he felt that members of the Fire Department should have the final say to ensure that the vehicle meets their specifications.

The firefighters and council also discussed a tender for the tanker chassis and cab and agreed that the truck was not suitable.

Fire chief Jackson was asked to prepare specifications for a replacement vehicle for tender purposes.

The second Kindergarten class at Archie Stouffer Elementary School completed their year Friday and received their graduation certificates during a ceremony held on the school's front lawn. Flanked by teacher Diane Dawson, left, and teacher's aide Christine Archer, the class posed for their final photograph of the year.

Parking problems at Preserve

Organizers of the Canadian National Slalom Championships scheduled August 9 and 10 at Minden Wild Water Preserve are concerned about the lack of adequate parking facilities at the site.

While the competitors in the event will be able to park at the Gull River Training Centre on the east side of the river, there is insufficient space for public parking.

The matter was discussed at the June 13 meeting of Anson, Hindon and Minden council following receipt of a letter from the organizers.

Acting Reeve Ed Pergolas described the Wild Water Preserve as "A natural phenomenon which is attracting more and more people." He said that over 3000 people are expected to attend the National Championships in August and that other major events; the Open Canoe White Water Slalom and the Provincial Slalom Championships will also take place at the site in September.

The Acting Reeve noted that although the municipality does not own land near the rapids, permission has been granted by the Orillia Light and Power Company to use land along the Horseshoe Lake Road No. 1, for public parking.

However, as Pergolas pointed out, there is only space for 30-40 cars on the

property. He told council that the utility company is unwilling to cut more trees to expand the parking lot because of future plans to subdivide the property.

He added that the municipality has approached the company regarding the sale of the property but has not yet received a reply.

Dave Atkinson, a member of Minden Rotary Club, an organization that has provided local support for events held at the Wild Water Preserve, told council that the course is rated by many competitors as being a "world class facility" superior to any other course.

He noted however that "Parking is one of the biggest problems" during competitions. "Complaints have been made by cottagers on Horseshoe Lake because of the large numbers of cars

that park on the road adjacent to the rapids, making it difficult for traffic to pass through the area," he said.

Atkinson also pointed out that the facility has "Lots of use at other times" and that there are concerns about the safety of people carrying canoes along the road.

Atkinson confirmed that there is a possibility a World Cup competition may be held at the Preserve within 8 or 9 years; an event, he said, which will attract even larger crowds than those expected this August.

He suggested that the municipality consider widening the road to improve pedestrian access and that an effort should be made to purchase property in the area to accommodate public parking.

It was noted that a shuttle

service could be implemented to carry spectators from the proposed parking lot to the site of the competition.

Councillors Gary Kenney and Dave Stevens, members of the advertising and promotions committee, were asked by the Acting Reeve to study the problem and report to council as soon as possible in an effort to improve parking facilities for the August Championships.

"Chipper" perches on the finger of his benefactor Tony Trumbull. Tony discovered the young robin while mowing the lawn two weeks ago and has been caring for it ever since. Although the bird cannot fly yet, in spite of Tony's lessons, it has been thriving on a diet of cornmeal porridge, budgie gravel and worms.

Steve captures second spot

Driving in the 250 cc Open Class, Steven Stewart of Minden captured second place overall in the Canadian Motorcycle Association National ATV Championships in Cope-town on Saturday. Steven drove his Honda 250 R to a first place finish in the preliminary heat and placed second in the final heat, to gain second place overall.

Steven won the first heat by a wide margin on the mile and a quarter motocross track under ideal weather conditions. However, by the time the second heat started, the track was covered in a thick layer of mud, due to

the constant downpour and he was unable to catch up to the leader who, unlike Steve, was driving a four-stroke 350 Yamaha that proved more powerful on the steep hills.

Since the final heat was worth more points than the preliminary race, Steven was bumped off to second place overall. In spite of the fact that Steven did not capture the top spot he was satisfied with his finish.

Aside from the track conditions, the race was trouble free in contrast to his experience at the Supercross event in Toronto the previous weekend where he was forced off the track as the result of an accident and finished out of the top ten.

Steven will be racing again at the Highlands Cup Challenge on Saturday, June 29 at the Minden fairgrounds.

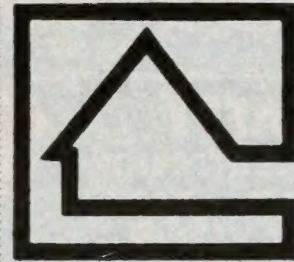

Jeff Howe of Minden will also be taking part in the ATV competition. The young rider has had a successful season to date.

After a win in Owen Sound, Jeff went on to finish second in the Supercross at Exhibition Stadium in Toronto.

A lot of people call life "The Survival of the Fittest". You know, a lot of people are right.

Federal aid for victims

- by Bill Scott, MP -

On June 13, I was asked by the Hon. Perrin Beatty to assist him at a press conference announcing the steps that the federal government is taking to provide assistance to victims of the recent tornado in Central Ontario.

As the federal co-ordinator of the Central Ontario Disaster, Mr. Beatty stated initial funding will be provided through the federal Disaster Financial Assistance arrangements program on a dollar for dollar formula applied to provincial funds over \$9 million and up to \$18 million. The next \$4.5 million in provincial funding will then be matched three to one, and a nine to one ratio will apply to all provincial funding above \$22.5 million.

Agriculture Canada will provide assistance for farm capital reconstruction and re-establishment not covered by commercial insurance. As well, they will provide free counselling and aid in the farm community and assistance in damage assessment. Farm Credit Corporation will assess requests from any of its borrowers in need of assistance as a result of the tornado. They will consider reamortization of loans, temporary deferral of payments or other special arrangements for those affected. These measures are

in recognition of the considerable damage done to about 200 farms in Central Ontario.

Further emergency measures are being taken by the Department of Employment and Immigration, the Department of Regional Industrial Expansion, National Defence, National Revenue, Canada Mortgage and Housing Corporation and the Department of

Public Works.

I join the Minister in thanking all those who have been so helpful in coming to the assistance of those who suffered through this disaster. If you too wish to donate to a recognized disaster relief agency or municipality in aid of these victims, the Department of National Revenue will treat such a donation as tax deductible.

Take care with gasoline

Carelessly used, gasoline can spark deadly fires and explosions.

Dozens of summer activities - from boating to mowing lawns - are dependent on gasoline, putting millions of Ontario residents in contact with the fuel everyday.

Gasoline is quite safe when used properly. But, tragically, a few Ontarians are killed or badly injured each year by gas fires and explosions caused by carelessness, say fuel safety experts with the Ministry of Consumer and Commercial Relations (MCCR).

To help guard against danger, warn young children to stay away from all types of fuel. Be sure older member of the family are aware of correct gasoline-handling procedures and provincial

regulations concerning containers.

The following kinds of portable containers can legally be filled with gasoline in Ontario:

* plastic or metal, 4.5 to 23 litre (one to five gallon) containers, bearing the label of Underwriter's Laboratories of Canada (ULC) or the Canadian Standards Association (CSA).

* plastic or metal fuel tanks for marine use which will bear a ULC or CSA stamp, if sold after August 1, 1975. These tanks can have maximum capacities of 32 litres (seven gallons).

* metal jerry cans, bearing embossed marks on the bottom reading "ICC", "DOT", "BTC" or "CTC", followed by "5L". They should have all necessary gaskets and caps in place.

All containers must be in

good conditions.

Regardless of the type used, containers should never be filled completely in order for expansion of the gasoline. Watch the meter on the gas pump and stop filling when the rated capacity of the can is reached.

Never transport gasoline in a closed car trunk where fumes can build up. Either prop the trunk open or carry the container inside the car with the windows rolled down.

Store all fuels away from inhabited buildings and out of the sun or excessive heat. Don't fill lawn mowers or other equipment when the engines are hot.

Gasoline should never be used as a cleaning solvent.

For copies of the ministry's brochure on portable gasoline containers, contact the Consumer Information Centre (CIC) at 555 Yonge Street, Toronto, Ontario M7A 2H6. (416) 963-1111 or toll free at 1-800-268-1142.

A ministry brochure on using propane gas safely is also available from the CIC.

DRIVING CAREFULLY
SCHOOL'S OUT!**

Kickers lose to Bracebridge

The Haliburton Dixie Lee soccer team reached the halfway mark of the season on Sunday, losing their fourth game, 2-0 in Bracebridge against the Muskoka Sun.

The Haliburton team now has a record of 3 wins and 4 losses to put them in sixth place in the league.

Bracebridge took a 1-0 lead in the first half, scoring on a header from a corner kick. The host club went up 2-0 when they scored on a direct penalty kick from just outside the penalty box.

Dixie Lee spokesman Jim Milne said the team was

"Strong and confident going into Sunday's game, but we didn't play well together. We usually play a kick and run game but we didn't clear the ball from our own end quickly enough."

The next practice will be at the Archie Stouffer School soccer pitch on Thursday, July 4, in preparation for a game against the 1984 champions, the Gravenhurst Spartans. The Haliburton team defeated Gravenhurst 2-1 in the season opener in May.

The game will be played in Minden at Archie Stouffer School pitch on Sunday, July 7 at 2 p.m.

— WHILE SUPPLIES LAST —

It was a close call but Haliburton player Tracy Harrison was safe on second. Minden Senior player Sue Pye, backed up by Nelda Cully, left, was a fraction of a second too late on the play. The Haliburton Juniors went on to defeat Minden 20 to 6 in the game played Monday night in Minden.

3 teams tied for top spot

Because of inclement weather, games to be played Monday night were cancelled. Minden and Gooderham played their game the next night despite weather reminiscent of November. Gooderham played a strong game,

defeating the Minden Seniors 16-12. Eileen Simmons pitched for Gooderham and was 4 for 5 at the plate. Rhonda Wilson

had a strong night batting for Minden going 4 for 4.

Minden Juniors defeated Wilberforce in a close contest on Tuesday night. The final score was 12 to 11 with Cheryl Dillon pitching for Minden and Andrea Burk going 4 for 5 at the plate. (Congratulations to

Andrea who gave up her free agent status and got married on Friday night.)

Wednesday night saw a

lot of baseball activity in the county. Haliburton Juniors defeated Wilberforce 9 to 2 and in Gooderham the Minden Juniors bettered the home team by a score of 9 to 5. A late game in Haliburton

saw the Seniors defeat the Minden Dixie Lee Seniors by 11 to 10. The score was tied in the seventh inning and the winning run was scored by Linda Osinchuk on a hit by Wendy Roberts.

Congratulations also go out this week to Cheryl Cooper (Nicholls) on the birth of her son. Cheryl was a member of last year's executive and a West Guilford team player.

Standings at the end of last week were: Haliburton Juniors, Haliburton Seniors, Minden Seniors - 12 points. Minden Juniors - 8 points. Gooderham - 6 points. Wilberforce - 4 points.

Hustlers winning streak ends

After winning 10 straight games this year, the Rockcliffe Hustlers finally lost as they split a pair of games with Lindsay Town Rental in the past week's play.

In the first game, last Wednesday at home, the Hustlers came out on top by the score of 4 - 1. This was a very close contest as after three innings there was no score. Each team picked up a run in the fourth inning to remain even. In the fifth inning the locals went ahead 2 - 1 and scored two more in

the sixth for a final score of 4 - 1.

Rick Hartwick (double - single) Frank Scriven (double - single) were big at the bat for the Hustlers. Jack Snell tossed a four hitter to pick up his seventh win of the year against no losses.

On Sunday the Hustlers travelled to Lindsay for a rematch with the Town Rental. Home town Lindsay jumped on the Hustlers for four runs in the first inning. Minden came back

with two runs in the second and one more in the fifth, but this would be as close as they could get as Town Rental got three more in the bottom of the fifth. Final score was 7 - 3.

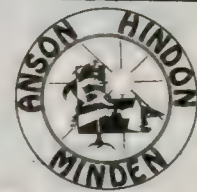

Brian Smith was on the mound and took the loss for the Hustlers. Bob Hammond (2 singles), Shaw (double - single) were the big hitters for the Hustlers.

This Wednesday (June 26) the Hustlers will try to get back on the winning note so let's get out and give the

boys a boost when they meet the Woodville Merchants at 8:00 p.m.

Tournament

Also, this is the weekend of the big Haliburton - West Guilford Tournament beginning Friday night and continuing through Monday. There will be many top notch ball teams so here is a good chance to see some excellent competition. The Rockcliffe Hustlers meet the West Guilford Boys at 8:00 p.m. Friday night in Haliburton.

NOTICE

MINDEN SWIM PROGRAM

REGISTRATION for swimming classes will be held at the Municipal Offices on Saturday, June 29th, 1985, between 11:00 a.m. and 2:00 p.m.

Red Cross classes for yellow to white levels as well as a Bronze Medallion/Bronze Cross group will be offered.

The program will run from July 1 to July 26. The following rates which include busing will be charged:

- \$20.00 per child
- \$50.00 per family of 3 or more

Class grouping, times and bus schedules will be available at registration. All classes will be held at Twelve Mile Beach.

Lorraine Perry received an honours Bachelor of Science in Language and a Certificate of Bilingualism at graduation ceremonies held June 1, 1985 at Laurentian University in Sudbury. The daughter of Ron and Wendy Gambell of Ingoldsby and granddaughter of Taylor and Dorothy Wilkins of Ingoldsby, Lorraine is a graduate of Haliburton Highlands Secondary School. She will be attending Teacher's College in September.

Mohawks win opening game

The Minden Pee Wee Mohawk team made their season debut at Lindsay on June 17.

In less than ideal weather conditions, a steady rainfall continuing throughout the game, Minden came away with a 7 - 2 victory.

Lindsay opened the scoring in the 12th minute when the Minden defense failed to clear the ball out of their own penalty area and a Lindsay player shot through a ruck of players.

Minden evened the score through Derek Allison five minutes later when he beat the Lindsay goalkeeper with a high shot. After 25 minutes, the home team regained the lead when they scored from a direct free kick. The first half ended

with Minden trailing 2 - 1.

In the second half Minden, who now had the incline of the field in their favour, tied the game on a goal by Colin McKnight. With the Minden team starting to dominate mid-field play, Derek Allison and Colin McKnight added their second goals. On the few occasions that Lindsay threatened, Joey Boyle in the Minden net easily handled the shots which came his way. In the final 8 minutes Minden increased their lead on goals by Colin McKnight, Derek Moore and Stephen Freeman.

Considering that for some of the players, this game was their first of a competitive nature, the team as a whole played extremely well.

Obituary

J.W. Melson

The man who designed the Haliburton County Registry office in Minden and who helped found the University of Toronto Survey Camp on Gull Lake, John Waller Melson, died June 17 at the age of 98, in Toronto.

John Waller Melson, SPS 1907 P. Eng., Professor Emeritus of Civil Engineering, Surveying and Geology at the University of Toronto was born at Boissevain, Manitoba in 1887. He moved with his parents to Stoney Creek. His mother was a founding member of the Women's Institute which began there in 1897. She gave this worldwide organization its name, believing that Women's Institute sounded better than Ladies' Institute.

In 1904 and 1909 Professor Melson surveyed the boundary between British Columbia and Alaska and has left accounts and photographs which are going to the Federal Archives.

Professor Melson joined the staff of S.P.S. in 1910 and taught for 42 years. In his office in the old observatory building he checked the clocks each day with official time signals. During all these years he taught freshman engineers to survey the Toronto campus, frequently passing around hard candies during class, as recalled by former president Ham.

In summer he taught at the U of T survey camp near

Minden, which he helped to found in 1920.

With the growth of air travel, he plotted the Rhumb Line between New York and London. After retirement he studied for and received his O.L.S. and went on to lay out the town of Elliot Lake, many roads in Ontario and to work for the city parks department until he was 72.

World War I saw him inspecting munitions. When World War II came, aerial navigation had to be taught to the Commonwealth Air Training Plan, a course which he had just himself mastered the previous week. His lectures were published by Canadian Aviation Magazine. Post-war years saw him commuting to Ajax to teach the overflow of returned servicemen.

Professor Melson was a fine photographer, pastel artist, musician, carpenter, builder of a stone house and cottage fireplaces and astronomer. His abilities with stone construction can be found at the survey camp where stone fireplaces in the bunkhouse and three cottages were completed by him.

A private funeral was held at the Mount Pleasant Crematorium Chapel on June 19. Professor Melson is survived by his children, John of Ottawa, Sylvia, Louise, Mary, Charles of Toronto and eight grandchildren. If desired, a donation may be sent to the charity of your choice.

Water levels

Modest precipitation Sunday, June 16 to Wednesday, June 19 totalled about 10 - 12 mm in the Kawarthas. This tended to be sufficient to hold these lakes with only a small draw of reserve water needed throughout the week of June 17.

The Haliburton Lakes averaged 93.0% on Monday, June 17 having declined 2.4% from the preceding Monday. The ten-year average for this date is about 91.6 so the lakes are soon to

reach this level if rainfall continues light. The 1985 level is lower than the preceding 5 years at this time.

It appears that larger losses will soon be occurring. Haliburton Lakes generally decline an average of 3.5% per week through the hot parts of the summer, so we may reach that rate early this year. Wet conditions at any time, of course, could delay the decline and could easily result in average or higher water levels if sufficient rain falls.

Branch 129 appoints manager

by Gerald Irish

At a special executive meeting on Monday evening, June 17, Mr. Jim Tice was hired as the new manager/accountant of Branch 129. Jim's qualifications, previous work experiences and personality impressed the executive members and we are sure he will be an asset to our

Branch.

The executive is inviting all members to a "Meet the Manager Wine and Cheese Party" on Friday evening, June 28 from 7 p.m. to 8 p.m. All members are invited to come out and meet the new manager and his lovely wife, Janet.

The club room came alive on Saturday night with the entertainment provided by

Ed and Billy Pickard. The crowd enjoyed the sing-along, dancing and excellent music.

For the best in country and western come to the club room on Saturday night, June 29. Bandana will be playing. This group has played in many other places in our County and always to rave reviews.

As part of the Canada

Day celebrations in West Guilford on July 1st, the citizens of Guilford Township will be dedicating a plaque honouring the veterans in their township. Branch 129 will be represented at the ceremony by the Legion Band, a colour party and a marching unit. Members please show up for this in full Legion dress at 11 a.m.

There will be no regular Bingo during Legion Carnival week. The Bingo on Tuesday, July 23 will be a "pay as you play" bingo.

I attended a retirement dinner in the Legion auditorium last week. The women of the L.A. served a fantastic roast beef dinner with all the trimmings. It's no wonder these ladies are always so busy with banquets. It was great ladies. Keep up the good work.

Volunteers help at show

by Donna Bailey

"Thank you" to all our volunteers who donated their time to help set up and/or man our display at the Kinsmen Home Show giving out information concerning the Haliburton County Home Support Service and Drop-in Centre. Your kindness was greatly appreciated. With your help our participation in the

Home Show ran smoothly and was very successful.

We are pleased to announce that we have a new transportation convenor for Haliburton and area. Carl Doey from Carnarvon has taken on this vital service. Along with Carl, we have a new co-convenor, Bob Hollobon from Gelert has agreed to take on this responsibility. Thanks to both gentlemen. We

know that you will do a good job.

If you are a senior or disabled person, and require any of our services please contact our office at 457-2941 any weekday, or drop in and let us know what you need and have a break in our beautiful drop-in centre. We are located opposite Emmerson Lumber in the Drag River Municipal Building.

Students spend busy summer with Agri-crew

Area Agri-crews are being booked with unprecedented speed. Many former employers of Agri-crew are returning to hire the crews

again this summer, proving their popularity and success.

All crew members have participated in an orientation day. On this day they have been taught farm safety skills along with valuable first aid knowledge.

Each crew, composed of four students, performs jobs such as haying, fencing, painting, picking stones and many other jobs around the farm.

For \$90.00 a farmer can hire the crew of four for an

eight hour day. The crew supplies its own lunch, transportation and Worker's Compensation.

The crews are available

and ready to help you this summer. Do not delay -- call today to book or inquire about Agri-crew. Don't hesitate to contact Lisa Thompson, Youth Employment Coordinator at the Lindsay Ministry of Agriculture and Food at 324-6125 or Zenith 97920. She can also be reached at the Cannington Farm Labour Pool at 432-3101 or 1-800-263-3825.

Games, medals awarded

An approaching storm threatened to disrupt the closing ceremonies of the Ontario Senior Games for Haliburton County on Thursday but the dark clouds passed on and the event continued uninterrupted at the Head Lake Park in Haliburton.

Over 120 people attended the barbeque and awards presentation that marked the end of the second annual Senior Games.

During the 17 day event, 330 seniors 55 years of age and over, took part in a variety of competitions in Minden, Carnarvon and Haliburton.

The provincial games were initiated in 1983 in towns across the province. Last year the Haliburton County Home Support Services organized three days of competitions that attracted over 200 entrants.

The success of the event prompted the organizers to expand the games over a two week period and to include more events.

In his closing remarks, the games organizer Bruce Armstrong, complimented the participants for their enthusiastic response that had made the event so successful.

He announced that provincial finals will be held in September 1986 in Kitchener.

The winners of the Haliburton County Games will compete against the winners of the Muskoka District Games with the overall winners then taking part in the Ontario Provincial Finals against thirty two other regions.

The top competitors in each event during the Senior Games were presented with gold, silver and bronze pins to commemorate their

Don Robinson and Bruce Armstrong, left, present awards to the winners of the lawn bowling competition during the closing ceremonies of the Haliburton County Senior Games held last week.

successful participation. The following are the names of the winners:

Bowling: gold - Jack Burtch, Vittoria Formica, Bruce Armstrong, Wendy Kirkpatrick; Silver - Joyce Hills, Harry Henderson, Lucy Noah, Harold Kirkpatrick; bronze - Hazel Gregory, Minnie Dawson, Everett Harding, Viola Cornish.

Euchre: gold - Kell Andison, Muriel Osborne; silver - Goldie Harrison, Gilbert Harrison; bronze - Violet Nicholls, Edna Tighe.

Gold lapel pin for most lone hands - Muriel Osborne.

Lawn bowling: gold - Alf

Palmer, Simone Palmer, Bruce Armstrong; silver - Hazel Lightfoot, Lloyd Boskett, Millie Boskett; bronze - Nancy Moore, Ted Madill, Doris Craig.

Bridge: gold - Bruce Armstrong, Don Clee; silver - Marjory Peel, Helen Knapp; bronze - Barbara Ellison, Audrey Deremo.

Cribbage: gold - Hazel Gregory, Herbert Gregory; silver - Ina Smith, Len Smith; bronze - Ruby Migh-ton, Norm Clift.

Shuffleboard: gold - Harold Dixon, Willa Dixon; silver - May Eldridge, Don Sinclair; bronze - Lorna Stinson, Rea Stinson.

Horseshoes: gold - Willis

Walker, Harry Henderson; silver - Jack Burtch, Ed Pickard; bronze - Wes Stata, Bill Mighton.

Golf (0 - 12 handicap): gold - Jack Burtch; silver - Jim Aikman; bronze - Gordon Taylor. (13 - 18 handicap) gold - Lloyd Boskett; silver - Max Strang; bronze - Glen Austin; (19 - 25 handicap) gold - Norm Gilmore; silver - Herbert Gregory; bronze - Wes Stata (26 - 30 handicap) gold - Betty Dawson; silver - Vy Aikman; bronze - Lorne Palmateer.

Darts: gold - Fred Knight; silver - Joyce Ross; bronze - Norm Gilmore, John McMahon.

HALIBURTON COUNTY BOARD OF EDUCATION

TENDER ELECTRICAL WORK

The Haliburton County Board of Education invites tenders for rewiring a typewriter room at the Haliburton Highlands Secondary School. Specifications for this work may be picked up at the Board Office, Haliburton.

Sealed tenders marked "Typing Room Wiring" will be received by the undersigned at the Board Office, Haliburton until 4:00 p.m. July 12, 1985.

The lowest or any tender may not necessarily be accepted.

At Highlands - we will not be undersold

County farmers tour Simcoe operation

The Haliburton County Farmers Association has long acknowledged the potential of 'hand-on' learning experiences through visiting productive farming operations. Farm visits and tours have always been some of our more successful meetings, however we have not ventured beyond our own county boundary.

In part that is because we remain unique within the agricultural community of southern Ontario. No one shares our difficulties with terrain, or climate, or accessibility to the larger urban markets. Farming operations in Haliburton remain modest in size and diversified in nature, whereas the trend has been to larger and more specialized farming elsewhere.

So when the bus load of thirty five area farmers rumbled across the productive farmlands of South Simcoe County, where fields and pastureland stretched from horizon to horizon, we were prepared to be attentive. These were the individuals, the farmers, who make agriculture such an integral part of the economics of this province.

Our tour guide was Doug Lambi, agricultural representative for South Simcoe County. Lambi co-ordinated the tour, providing an excellent cross-section of farming operations in his area. He introduced our group to the host farmers, and was available for comment or questions, although for the most part the host farmer sustained a dialogue pertaining to his operation.

First stop on the tour was the Beatty Brothers Farms Ltd., of Stayner. The Beatty Brothers Farms features a large feed lot operation for beef cattle, heavy horses, and an expanding cash crop operation.

Our host was John Beatty, son of one of the original Beatty Brothers who established the farm partnership in the early 1950's. The emphasis in those days had been the beef operation, with the farm importing western feeder cattle for the feed lot. The economics of the beef industry forced the Beatty's to review their involvement, and today they have reduced the number of feeder cattle on the farm to between 800

1000 head at any given time. Contrasting the cattle operation, is the increase in acreage committed to cash crops. Of the 1350 acres comprising the Beatty farm 550 acres are cropped. Cash crops include barley, canola, and hay, specifically alfalfa hay, for which they have determined a large export market in the United States.

Some of the management techniques outlined by Beatty himself, a Guelph

graduate, included a program of crop rotation on a 2 - 3 year cycle; regular applications of fertilizer, in the form of manure, with a minimal use of chemical fertilizers; and the planting of trefoil on pasture areas in order to alleviate the effects of drought conditions when they occur.

Those who recognize the Beatty name, likely identify them with the beautiful Belgian horses which appear at the fairs. The Beatty's continue to raise some of the finest Belgian draft horses on the continent, and can continue to command top dollar for their stock despite a depressed market.

Second stop on our fabulous farm tour was Vancise's Walnut Drive Farm, where John Vancise and his father Bill raise some of the highest indexed polled herefords in the province. They currently export breeding stock to three continents outside of North America.

In 1980 the Vancise's had the two top indexing hereford bulls in Ontario tests, on the government supervised R.O.P. program. In 1981 they repeated this with the top ranked and indexed bull. The Vancise's are also enrolled in the "red meat

program", and John Vancise served for three years as the secretary-manager of the provincial hereford association.

The farm is comprised of a total of 400 acres. They maintain between 200 - 220 hereford cattle, of which 80 are breeding cows. Much of the discussion, led by John Vancise, centred upon the breed's statistics, which were extremely impressive, much to the chagrin of the charolais and limousin fanciers among our cattle-men.

Impressive cattle notwithstanding, prior to our departing the Vancise's farm the discussion focused upon the walnut trees which ran up both sides of the drive into the farm. Black walnuts are notoriously slow growing trees, and these were magnificent, statuesque trees of some considerable value. Just as their patience with the trees had been rewarded, so was it evident in the quality of livestock they kept on the farm.

With all gesturing, in an attempt to convey the day-to-day growth patterns of the Haliburton beef animal (or was that month-to-month?) some of the fellows had worked up an appetite by this time. We were

treated to the warm hospitality of the Duntroon Women's Institute, who provided a sumptuous roast beef dinner. Their kindness and good-cheer further enhanced the meal, with special praise from Darnell Francis for whoever baked the blueberry pie.

Those who lingered long over the desserts were seated in the back of the bus, as we took to the back roads. Our next stop was the farm of Don Currie and family, of Nottawa. Currie is one of the top purebred Angus breeders in Canada.

In total the farm is comprised of 500 acres, with 125 acres owned and the remainder rented. Don Currie keeps a minimum of equipment, and relies heavily on custom farm work. This move away from capital expenses of the costly large machinery was also noted at the Beatty farm.

The cattle are wintered on a bush lot, where the water supply is maintained through the use of a propane heated fountain. In contrast to some of the traditional farming methods, the Currie farm presented a high-tech approach to the breeding of these top lines. The cows are bred almost exclusively

through artificial insemination, with a purebred bull used as a secondary safeguard only, ensuring that all the cows are caught.

Currie is also heavily involved in the embryo transplant program. While he explained that the program is not nearly as expensive as it used to be, it remains a complicated and time consuming process. The farmers must have the recipient cows ready to receive the fresh embryo, flushed from the donor cow. He indicated that on a percentage basis frozen embryo transplants are not as successful as fresh ones.

In closing I would like to express the deep appreciation of the Haliburton County Farmers Association to Doug Lambi, to the farmers of South Simcoe County who so graciously hosted our group and shared their expertise, and to the Duntroon Women's Institute for their gracious hospitality and wonderful cooking.

Time and time again the lessons of life teach us that the traditional notions of community spirit and pride endure, and are tempered by a heartfelt desire to be good neighbours, recalling the good times through our enduring friendships. Thanks to all who made our tour so successful.

ASK YOUR PHARMACIST

Hayfever is nothing to sneeze about

"It's that awful ragweed season again. My husband is miserable and he's making the rest of us miserable, too, with his hayfever. I want to help, but I don't really understand his problem."

First, "hayfever" is not a fever. It's an allergic reaction registering in someone's nose. People with hayfever are sensitive to things they breathe, such as pollen.

This sensitivity causes the body to release a substance called "histamine". When released in the nose, histamine causes sneezing, watery, stuffy noses, itchiness in the eyes, roof of the mouth and back of the throat. Symptoms usually seem the worst in the morning and on dry, windy days, as you have probably noticed.

Hayfever, a seasonal allergy, is caused mainly by pollens from grasses, trees, and weeds cross-pollinated by the wind. Generally, tree pollination starts in late March and lasts until early June; the grass pollination season is from mid-May to mid-July. Ragweed unfortunately, has an especially long pollinating season, lasting from early August until the first killing frost.

Weather conditions, such as temperature and rainfall, may change the amount of pollen produced, but not the length of the season.

Unfortunately, there's no easy way to avoid pollen. Frequent damp-mopping and dusting can decrease the amount of pollen in

your home. Air conditioning and home air filters help, but filters must be changed often and all doors and windows kept closed.

Antihistamines are useful, too. Many are available in a variety of non-prescription products. If your husband experiences no relief from one, another might do the trick. If nothing helps, he should see a doctor.

Several points should be remembered when taking an antihistamine. Many of these medicines will make people drowsy. How drowsy? It varies. See that your husband is careful.

He should not drink alcohol when using antihistamines. That includes beer.

Some antihistamines will also cause serious problems for people with asthma or glaucoma. Your pharmacist or doctor can tell you which medicines to avoid.

If you or your husband have any questions, your pharmacist will be glad to help. Best of luck.

Peck St.

286-2514

The 1985-86 Executive of the Rotary Club of Minden was installed in ceremonies Monday night at Minden Community Centre. Outgoing president Paul Sisson, presented the chain of office to the new president, Jerry Rome, while members of the executive look on. Members of the board of directors include, from the left, vice-president Peter Bennett, treasurer Clayton Hummel, director Cal Wilson, secretary Bob Wiltshire, directors Gary Chapman and Garth Gammon and president-elect Jack Brezina.

Minden W.I.

Minden Women's Institute had a luncheon meeting at the United Church hall on Wednesday June 19 at noon hour with Mrs. C. Lacey presiding.

After the lunch was over and cleared away, the meeting went on. Present were 24 members and two guests. Mrs. Robson, Victoria East District president and Nathalie Dufour of Sept-Îles, Quebec

from the Katimavik group.

Mrs. W. Moore reported sending 11 cards since the last meeting. Collections for the card fund and pennies for friendship were taken. Home and Country magazines and new programmes were given out. Our bake sale is planned for August 2 at 10 a.m. with members bringin in their

goods to the lot beside the Canadian Imperial Bank of Commerce.

A petition in regard to the closing of the orthopaedic unit of Ross Memorial Hospital, Lindsay was passed to be signed, also several cards for members.

Mrs. Robson spoke to us and a token of appreciation was given to her by Mrs. Lacey.

Mrs. Moore arranged secret pals for coming year and absent members must tell her if they wish one by the end of June.

The president wished us a happy and pleasant summer and closed the meeting with God Save the Queen. Next meeting is September 18 at 2 p.m. in the common room of the Library/Cultural Centre and all ladies will be welcome.

Small game seasons set

If you happen to be one of those sportsmen who can't make vacation plans until you know the opening day of Ontario's small game and waterfowl hunting seasons -- you're in luck.

Starting this fall, there will be fixed date openings for most small game seasons -- rabbits, squirrels and game birds -- to correspond with proposed federal waterfowl seasons.

Basic opening dates for most species will be September 15 in northern Ontario, September 20 in central and eastern Ontario, and September 25 in southern Ontario. If opening day falls on a Sunday, seasons will open the Saturday before, as with the September 14 opening in northern Ontario this year.

"Sportsmen favoured fixed dates for waterfowl, and we felt it was logical to have coinciding dates as in past years for most small game seasons," Natural Resources Minister Michael Harris said.

"Small game hunters should find that fixed dates avoid confusion about when seasons open. Hunters will also be able to hunt on more days -- as compared to fluctuating Saturday opening dates -- yet the resource will still be maintained. Weekday openings in most years will reduce some of the hunting pressure -- creating a safer and higher quality hunt for everyone," the Minister said.

The following seasons apply in wildlife management units numbers 54 and 56, approximately the northern and southern portions of the county:

Ruffed Grouse and Spruce Grouse - September 20, 1985 to December 15, 1985. Aggregate of 5 Ruffed and Spruce Grouse in one day; possession of 15 in aggregate.

Sharp-tailed Grouse and Ptarmigan - September 20, 1985 to December 15, 1985. Daily and possession limit: 1) 5 Sharp-tailed Grouse

daily; - possession 15; 2) 5 Ptarmigan daily; - possession 15.

Hungarian Partridge - September 20, 1985 to November 9, 1985. Daily limit - 8; possession limit - 16.

Pheasant - September 20, 1985 to December 15, 1985. Daily limit - 3 of either sex. Hours: 1/2 hour before sunrise to 1/2 hour after sunset.

Rabbits and Hares - Cottontail Rabbit, European Hare, Varying (Snowshoes) Hare - September 1, 1985 to June 15, 1986. Daily and possession limit: 1) Cottontail Rabbit - limit of 6; 2) European Hare: - limit of 6; 3) Varying Hare: no limit.

Squirrel (Black, Grey, Fox) - September 20, 1985 to December 15, 1985. Daily limit: 10. Possession limit: 10.

1985 open seasons for waterfowl: Note: These seasons are tentative - before hunting please check Migratory Birds Regula-

tions (Federal). Ducks, Rails, Coots, Gallinules, Woodcock and Snipe: September 20 to December 20. Geese: September 20 to December 20, 1985.

It was a proud moment for members of the 1st and 2nd Minden Brownie Packs as they were received as tenderfoot guides. The ceremony, at Minden United Church last week, was the culmination of their Brownie years and took place during the annual Mother and Daughter banquet. The first meeting of the new season will be held September 24 under the leadership of Brown Owl Evelyn Hosken, Tawny Owl Mary Nesbitt and Snowy Owl, Bonnie Mowat. The official badge tester will be Diane Dennie. Brownies who took part in the flying-up ceremony were, from the left, front row: Crystal Hughes, Jennifer Ointment, Misty Bennett, Kim Langille and Tasha Anderson. Second row: Kimmie Smith, Angela Camelon, Carrie Warder, Tammy Howard and Sarah Newson. Third row: Elishya MacKeigan, Shannon Miller, Beverly Emmerson, Jaime Kent.

senior league

by Bert Harrison

Dear readers. I just get one letter finished to you, then I start another, to tell you what's happening here about one another.

We had a farewell party here on this 14th June day, for Dorothy McElwain who is retiring, after working so faithfully for so many years, and now she is going away.

We were served a delicious smorgasbord dinner. Dorothy received many presents, she really was a winner. She looked lovely, crowned Queen for a Day. All our blessings go with you Dorothy, when you go away.

We had no sing-song Friday afternoon. A very interesting two hour movie "Lions for Breakfast" was the movie's name. Then Friday night to entertain, Payne, Deacon, Burch and Smith came back to us again. They played and sang for us, they really were sharp. Don Burch broke his old Jews Harp. We had a couple of dancers, dancing on the floor, no matter how much they play and sing for us we always clap for more. The sad part for us to remember, they won't be back again until sometime in September.

Much activity here on the weekend all around. Lily Hogg had her son Howard and wife, all the way from Parry Sound. Mary Oliver's family came, took her to Haliburton. There were others, too, just who I am

not certain. It being Father's Day, I guess I was a winner. Most of my family came and took me out to dinner. Also coming to call on me was my brother-in-law, Maurice Windsor, and daughter Phyllis. I would just like to say, Phyllis is just like a daughter to me. She lived with us two years, when we lived down Glenarm way.

Down at fun and fitness, we go through all kinds of exercises. Some say it's silly - others say it's good. The game we played Monday morning was won by Millie Wood.

Linda showed us interesting movies Monday night. For all those who came and watched them all the way through - "Post Office in the Tower of London", "Stone and Stream" and "Peterborough Zoo". Tuesday morning Father George Elliott of Minden Anglican Church conducted a very sacred communion service in the chapel, this 18th June day. We thank him for coming, and Fred Ballard the music to play.

Tuesday night our entertainers came again - Gordon Houghton, Murray and Shirley Davis and their son-in-law, Kirk. When they got their instruments tuned up they really went to work. The way they played and sang for us was really good to hear. They said they would come back to us each month all through the year.

Ada Allcorn's relatives

came and Ada did take, up to visit relatives on the shores of 12 Mile Lake.

Wednesday morning Doris said, "If all who want to go will just pull up their socks, we will take you on a picnic to Kirkfield Liftlocks." With a lovely lunch sent by the kitchen staff, and some pleasure for to gain, we took off and were so glad

that it didn't rain. After partaking of our lunch and staying around for a while - then to look for strawberries, we headed for Argyle. There our gang picked 70 quarts - it all seemed like a dream. We want to thank Kawartha Dairy for donating the ice cream.

We would like to thank our volunteers who looked after us, for a job well done - Harry and Jean Cowan, Fred and Beth Parker and Helen Donaldson.

Our sympathy from all here to the family and relatives of Mrs. Edith Moon. We would like to convey - Mrs. Moon has just recently passed away.

Members of the Hyland Crest Auxiliary brought and served a tasty lunch this Thursday. A big thank you we would like to say. They also brought a special guest - from where, do you suppose? From away across the water - from the land of the rose.

You shouldn't keep telling her that you are unworthy of her - let it come as a surprise!

if
you don't smoke

Why pay
for the fires
of those who do?

Careless smoking is a major cause of
fires in the home. At Maplex
General, non-smokers enjoy com-
petitive rates that reflect the improv-
ed risk they represent.

Non-smokers also enjoy comprehen-
sive and up-to-date coverages. There
are three homeowner plans from
which to choose as well as plans for
tenants or condominium owners.
And, there's a full range of optional
coverages available.

Good value in both coverages and
price are good reasons why non-
smokers should choose Maplex
General Insurance.

"We'll be there when you need us"

Road brings south Bob Lake cottagers together

The history of our Subdivision began when, on June 2, 1955, the Official Plan of the Subdivision had been approved by the Minister of Planning & Development.

In the years following, as the community began to develop, dense forest cleared, large masses of rock moved, cottages began springing up along the shores. With cottage life there are always problems the community has to solve, and in our case, maintaining the private road from the lodge northward brought the then approximate dozen pioneers together and in 1958, the South Bob Lake Cottagers' Association was formed.

The first executive of the Association were: Roy Day - President; Bob Kidd - Vice President; Al Gleason - Secretary/Treasurer.

The main activities of the Association in early years were:

(a) Maintenance of the private road portion of the road from the lodge north. This was achieved by a road gang getting together on a Saturday and clearing brush and filling holes.

(b) Water safety education and discussions.

(c) Annual testing of lake water for purity along the shoreline of the Subdivision.

The major problem encountered in the first few years of the new Subdivision was the access road off Deep Bay Road which in those days was no more than a horse cart trail to the lodge and it was not uncommon to lose a muffler or two driving over the rough terrain.

Then in 1960, the Township, with Reeve Brooks playing a major role, undertook the difficult task of constructing the new road, (presently known as Tennyson Road), as far as the lodge.

Life in the cottage country was going along smoothly until the growing concern about all the members of the Association not having clear title of all lands between the road

and the lake became a major issue. The problem had been created by the developer who had constructed the Dedicated Road every which way except as originally shown on the survey. Therefore, to put things right, the Association in 1976, with private funds, engaged the services of Harry Curry Bishop Ltd. to survey and identify the Dedicated Road as it is today and identify all private lands.

Anson, Hindon and Minden municipal council with Reeve Walker assisted immensely in having the severances put through and procuring all signatures before the deadline. With the assistance and co-operation of the present council, all documentation has finally been completed to the benefit of all parties.

In June of 1980, the Association became a member of the Federation of Ontario Cottagers' Associations Incorporated, (FOCA)

The Association members include: Walter & Betta Southgate; Henry & Beulah Christian; George & Violet Potts; Bill & Nelly Browers; Harry & Leny Hunting; Mrs. Helen Schneider; William & Shirley Dawson; Archie & Margaret Thompson - Vice President; George & Margaret Bull; Harold & Helen Thompson; Roy & Dorothy Day; Angus & Audry Macpherson; Eric & Marg Butler; Ernest & Thilde Nevitt; George Inch Sr.; William Eskelin; Al & Cathy Wolch; Mrs. Delores Chase; Peter and Jenny Garnick - President; Robert Loney; John & Peggy Peden; Ed & Marlene MacDonald; Trevor & Janet Smith - Secretary; Ted & Marian Disette; Hans Jewinski; Alfred & Lilo Jewinski; Ernest & Vi Hennessey; Gord & Yvonne Flann - Treasurer; Jim & Anne Murray; Ron & Lea Gayowski; Ken and Isabelle Pick.

The present day activities of the Association are much the same as first originated as far as local interests are concerned, but, in the past few years more interest has been focused toward community affairs and becoming more actively involved in such matters as:

(a) Environmental changes on the lake.

Acid rain pollution and effects.

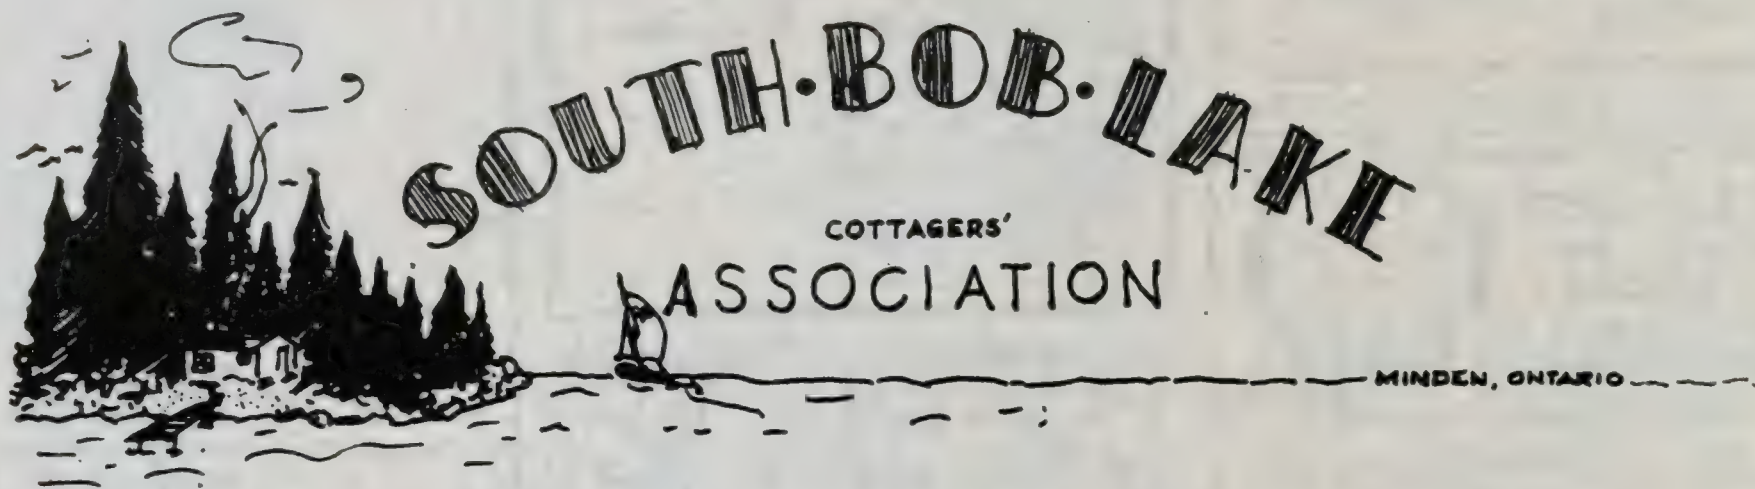

(b) Participating with our local governing body on issues such as:

- Township new zoning bylaw
- Official Plan development

(c) Working with local law enforcement agency in promoting the Crime Prevention Program "Neighbourhood Watch".

Cottage life has sure changed over the past 30 years in our community. Our Association has a sincere interest in the future growth of the local area from a political, economic and esthetic standpoint and the conservation of our natural heritage.

Peter Garnick, President
South Bob Lake Cottagers' Association

Call 286-1288 — 9 a.m. - 4 p.m.

Congratulations to Bill and Irene Moore, who celebrated their wedding anniversary recently. They dined at the Reflection Restaurant with several members of the family.

It's nice to see Mr. and Mrs. Harold Deacon and Mr. and Mrs. Richard Kirkwood home safe after an enjoyable vacation spent in the western provinces.

Winners at the Museum Card Party last Thursday were - lone hands Florence Schlosser, other winners included Eleanor Pye, Marion Ingram, Pat Moore and Bob Mitchell. These euchre games will continue throughout the summer at 1:30 and everyone is welcome to come out and meet the gang!

At Rotary bingo last Tuesday night, Shirley Stamp and Helen Lee each won \$100 on Nevada tickets. Verna McDonald got to wear the Nevada Hat and door prizes were awarded to Phil Sawyer and Maxine Snell.

From Minden Library this week we are informed of a tape exchange taking place on June 25 and the book exchange on June 26. The free movies for children begin Thursday, July 4 from 7:15 to 8:15 p.m. and the Rolling Readers group

Did you know?

by Bambi Gilder

Did you know ... that the Ontario Women's Directorate offers a booklet entitled "Job Search" which has been prepared for women who are planning to enter the workforce for the first time or return to the workforce after an extended absence?

Whatever your reasons for seeking a job, you will need a plan of action that will involve taking a series of steps. The purpose of this booklet is to help you work through these steps that will meet your own individual needs. It provides information on self-assessment, family adjustments, training opportunities, job offers and examples of standard application forms, resume and interviews.

To obtain this booklet free of charge and to receive further information on this and many other subjects, why not drop in or give us a call at 457-2733. Your County Information Centre is located in the Drag River Municipal Building (across from Emmerson Lumber) in Haliburton and we are open 10 to 4, weekdays.

And remember, you will never know the answer, until you ask the question.

McPeake of Gravenhurst.

Club 35 card party winners Monday evening were - most lone hands, Bill Donnelly, high lady - Verna Hodgkinson, high man - Elmer Davis. The door prize went to John Burns and other winners for the well-attended event were Don Smith, Helen Davis and Murray Daniels.

Don't forget the Canada Day celebrations this coming Monday at the Fairgrounds. The fun begins at 1 p.m. and features a fantastic 99¢ lunch, a grandstand show, games, prizes, for children of all ages. As the ad says, don't worry if it rains, just come to the arena. See you there!

Awesome Thoughts

"Tickets please and welcome aboard."

The pretty stewardess smiles -

I stop and wonder

How many thousands of miles

I have seen the same smile.

In all my travels.

Her job is to make you comfortable

Far above the earth

You get what you pay for

But sometimes it's not what you pay for -

In the twinkling of an eye

She and the other guy

And you

May be blown out of the sky

That before was azure blue

All because some lunatic believed

It was right.

Sometimes we sit in our homes and tremble

At the weather

We must anticipate

Storm clouds gather

And we, like ants must wait

For what may befall.

Thinking of the trials and tribulations of the world

That we have created

I sometimes think

That in disgust

The Lord has turned his back on us.

Yvonne

YAKE ELECTRIC

DANIEL J. STIVER

Yake Electric is pleased to announce the appointment of Danny Stiver as Apprentice Electrician. Danny attended Haliburton Highlands Secondary School, graduating in 1985.

Serving "The Highlands" Yake Electric was founded by Watson Yake in 1972.

kid's korner

by Jean Lacey

Hi Kids!

Here is another puzzle for you with a word list. Look in the diagram of letters for the words given in the list. Find them by reading up, down, forward, backward and diagonally. They are all in a straight line and do not skip letters. Some have hidden words or sayings, some do not. Circle the words in the diagram and cross it off in the list.

It's as easy as that. Have fun.

Q: When was the beef the highest it has ever been?

A: When the cow jumped over the moon.

Q: When does a candle get angry?

A: When it is put out or when it flares up.

Q: When a boy falls into the water, what is the first thing he does?

A: Gets wet.

Live Line Clearing
Ontario Hydro invites contractors to submit tenders for approximately 18 Ha of Live Line clearing in four separate parcels in the Minden Area.
As a prerequisite to submitting a tender, a company representative must tour the site accompanied by an Ontario Hydro representative. Such a site tour is scheduled to be held at the Minden Area Office on July 9, 1985 at 7:30 AM. Further details regarding arrangements to attend are contained in the tendering documents. Tenders received from companies which have not had a representative attend a site tour, verified by Ontario Hydro, will not be considered. Contractors wishing to attend the site tour must contact Mr. A. Cheeseman prior to July 5, 1985. Work is to be completed by September 30, 1985. Tenders will be received up to 2 P.M. Local Time, July 17, 1985. Tendering documents may be obtained FROM: (or for inspection only)
700 University Avenue
6th Floor Reception Desk
(9:00 a.m. to 4:00 p.m. Daily)
OR
Ontario Hydro
Minden Area Office
Hwy. 35
MINDEN, Ontario
Attn: Mr. A. Cheeseman
OR
WRITE:
Ontario Hydro
Attn: Dan Garry, H6 C26
700 University Avenue
TORONTO, Ontario
M5G 1X6

PHONE: (416) 592-5393 or (705) 286-2031

The successful tenderer may be required to furnish a performance bond. Further details are contained in the tendering documents. The lowest or any tender will not necessarily be accepted.

AT REST

RIDDELL
Olive Isabell

- passed away at Scarborough Centenary Hospital on Tuesday, June 11, 1985. Olive Walton, in her 79th year, beloved wife of William James Riddell of R.R. 1, Minden, Ontario. Daughter of the late Herbert and Sarah Walton of Toronto. Dear mother of Mary (Mrs. Lorne Buck) of Codrington, Ontario, Lois (Mrs. Ross Rigney) of Scarborough, Dr. Roy Riddell D.C. of Kitchener, Ont. Predeceased by Lorna (Mrs. Julian Pristanski) of Sault Ste. Marie. Sadly missed by twelve grandchildren and three great-grandchildren. Sister of Myrtle (Mrs. Walter Craig) of Little Britain. Predeceased by Margaret Gooderham of Willowdale, Ross of Scarborough and Lloyd Walton of Marmora. Rested at the Ogden Funeral Home, 4164 Sheppard Ave. E., Agincourt (east of Kennedy Rd.) for funeral service in the chapel on Thursday at 2 p.m. Interment Knox Cemetery, Agincourt.

CARD OF THANKS

IT WAS A SURPRISE
Thank you to our Kin friends and family for our 25th wedding anniversary party at the Wagon Wheel on June 22nd. Special thanks to the organizers and for the anniversary cake. Many thanks for the beautiful engraved tray and wine glasses. The best wishes and thoughtfulness made this anniversary a very special and memorable day.
Lewis & Jean Stevens

I wish to thank everyone for all the cards, flowers and visits during my recent stay in Peterborough Civic Hospital. A special thank you to Elda for being cook and nursemaid and to Tracy for her help.

Pat Lichty

Stanhope Fire Department wish to thank Ray and Pat of Little Hawk Resort for their co-operation and assistance by having boats ready for us when we answered a call Thursday afternoon. It made our response time that much quicker. 6D

INGOLDSBY BRIDGE
— OPEN —

The Ingoldsby Bridge will be open to traffic on Friday, June 28th, 1985. The County of Haliburton Roads Department would like to thank the citizens for accepting the inconvenience of the detour for the past three months and we apologize for any problems this may have caused.

M. Fearrey, Chairman
Road Committee
